SUITMATE SWIMSUIT DRYER

The Suitmate Swimsuit Dryer is great for commercial pools who need an efficient Extractor that is used at pools and locker rooms to spin dry a wet bathing suit in 8 seconds. Using centrifugal force, this American made machine removes 95% of a suit's water and reduce the hazards in commercial pools, while also making your members happy. The automatic timer helps protect your Suitmate water extractor from overuse. Used to keep pool water from facility damage, the Suitmate is the most reliable and durable swimsuit dryer for commercial pools.

- Reduces water damage
- Diminishes fixture corrosion and minimizes rust on metal surfaces
- Helps extend the life of flooring and carpets
- Reduces a source of mold and mildew
- Helps extend the life of hand and hair dryers
- Frees swimmers from wet gym bags
- Keeps lockers dry and odor-free
- Eliminates schools' bathing suit exchange programs
- Encourages pool use
